1.3 IMPORTANT INFORMATION
A range of benefits are available under this policy, however there are some circumstances where cover cannot be provided. These are covered in the Policy Wording but we draw your attention to some important points below.
• This policy does not automatically provide cover for travellers with a known existing health disorder (refer Section 1.9 of the PDS titled ‘Existing Health Disorders’).
• Limits and sub limits apply to certain benefits under the plan. Refer to your Policy Wording which is at Section 2 of this booklet.
• This policy is not able to cover any medical, hospital, dental or ancillary benefits incurred in Australia or for which we are prevented from paying by reason of any legislation or government regulation such as the National Health Act.

Your Duty of Disclosure
• What You Must Tell Us
When answering our questions, you must be honest and you have a duty under law to tell us anything known to you, and which a reasonable person in the circumstances, would include in answer to the question. We will refer to the answers in deciding whether to insure you and anyone else to be insured under the policy, and on what terms.
• Who Needs to Tell Us
It is important that you understand you are answering our questions in this way for yourself and anyone else whom you want to be covered by this policy.
• If You Do Not Tell Us
If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel a policy. If you answer our questions fraudulently, we may refuse to pay a claim and treat the policy as never having worked.

Please note that you are obliged to check that it is safe to travel to your destination. Information on safe travel is available at www.smartraveller.gov.au or by telephoning your travel agent.

About Our Distributor

Our distributor is authorised by us to deal in QBE travel insurance products on our behalf. They can directly issue or vary QBE travel insurance as our distributor in accordance with our underwriting guidelines.

In some cases our distributor may need to arrange for us to do this if they are not able to act under the underwriting guidelines.

We as the insurer of the product and our distributor as our agent, do not act on your behalf. The employee of our distributor who provided you with this FSG is authorised by our distributor to act on their behalf in providing the services they are authorised to provide for us.

Our distributor and their employees do not have any authority to give you any advice (i.e. recommendation or opinion about the financial product). They can provide you with factual information on the product to help you decide if it is right for you. The choice is yours.

The Distributor’s Remuneration

Our distributor receives commission from us, which is part of the total amount payable by you to us for the product. The rate ranges up to 52% and is payable to our distributor by us for each policy issued. Approximately 15% of this commission reimburses the distributor for the expenses they incur in distributing the product for us.

Our distributors employees are paid an annual salary and may receive rewards or bonus payments if certain sales targets are achieved. Bonuses are based on sales targets for all activities of their staff, not just those related to financial services. From time to time they may receive rewards for achieving certain targets or outcomes as determined by us which may include sales targets. These rewards could be up to 0.5% of the amount payable received by us for all travel insurance sold for the relevant period.

Our distributors may charge a fee for additional services provided to you after you have been issued with a policy. This may include but is not limited to alterations and other changes to your policy. Our distributor will notify you of any fee at the time you make a request for additional services.

If You Have A Complaint

If you ever have a complaint, you should refer the matter to us, using the contact details in the Product Disclosure Statement (PDS). If you have not been provided with a printed PDS, this information is set out on the internet page from where you viewed the PDS, or included in the email message if our distributor emailed the PDS to you. We have procedures in place to help resolve any issues you may have. If your complaint is not resolved to your satisfaction, you may request that your complaint be referred to our dispute resolution process. Your complaint will be handled by a person with authority to resolve the matter. Your complaint should be dealt with within 15 business days unless we notify you of the reasons why it cannot be dealt with within that time. If your complaint remains unresolved to your satisfaction, you can request that it be reviewed by Insurance Ombudsman Service (IOS). The IOS resolves certain insurance disputes between consumers and insurers and will provide an independent review at no cost to you. QBE Insurance is bound by the determination of the IOS but the determination is not binding on you.

Contacting Us

If you have any queries, contact our distributor on the address detailed on the back of the PDS, or on the Internet site or emailed with this document. This FSG was prepared on 31 March 2008
