

# Student eduPass Account

## What is my eduPass Account ?

Your eduPass account is provided to access Education Department resources & software including Minecraft, Adobe Creative Cloud, Office 365 & Lynda.com

### This account is different to your School Compass & Google account

Student Name: Student NAME  
Homegroup: Homegroup  
Simple Username: abcd1  
Password: PASSWORD  
eduPass Email Address: abcd1@schools.vic.edu.au

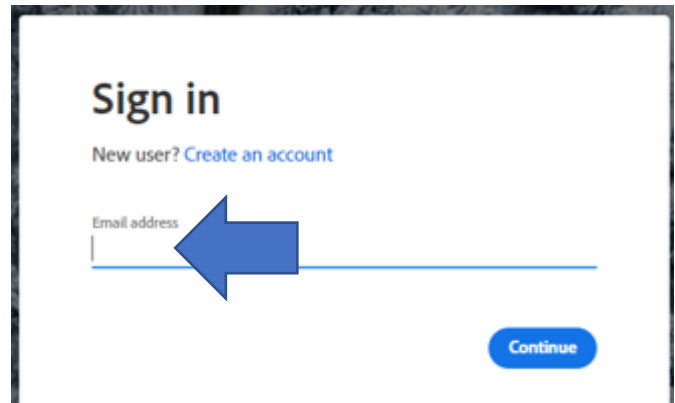

## eduPass Username Formats

### Full (email address)

Example of student full username

[abcd1@schools.vic.edu.au](mailto:abcd1@schools.vic.edu.au)

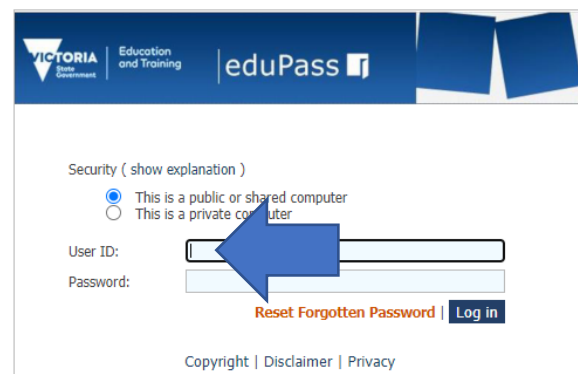

For some software you may be asked to use an email address to identify who you are before you must enter a login. Just enter your eduPass email address and the website will redirect to a login screen where you must use your simple username and password.

### Simple

Example of student simple username: **abcd1**

In the example login screen(right), the "User ID" is your simple username

Software installation instructions for Adobe & Office 365 will be made available to students via Compass news items.

If you have any issues with your account information please visit the support kiosk at school
