

How to Connect to WiFi at School (Chromebook)

To reconnect your Chromebook after a password change to your school network account (The same account as Compass) follow these steps:

1. From the Chromebook login screen or logged in with your school Google account > Click on the Wifi indicator icon in the bottom right corner of the screen
2. Click on the “Not Connected – No Networks”

3. Click on “LHS_Unified”

4. The following settings should automatically be filled in for you.
- a. You must fill in the following
 - i. Identity: Compass Username (Letters followed by Numbers)
 - ii. Password: Compass Password
