LILYDALE
HIGH SCHOOL

December 2025

Dear Parent/Carer,

Lilydale High School is proud to offer a range of exemplary curricular and extracurricular programs tailored to meet the needs and interests of our students, and we would like to advise you of Lilydale High School's voluntary financial contributions for 2026. Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary.

Nevertheless, the Victorian Government supplies most of the school's funding, Lilydale High School is reliant on locally raised funds in the form of parent or carer contributions to supplement government funding to offer the best possible education and support for our students.

Parent contributions allow us to make a significant difference to the school environment, student wellbeing and the learning programs we offer. Your support would be greatly valued and ensure the viability of student-focused programs in 2026.

Within our school, this support has allowed us to fund:

- A wider array of subject offerings, particularly in years 10 - 12.
- Literacy and numeracy intervention support programs to improve learning outcomes
- A dedicated STEM, Zoology, Performing Arts, stadium, Health and Wellbeing Centres and associated programs.
- The rollout of digital screens in all classrooms to support teaching and learning.
- Employment of specialist staff, including Health and Wellbeing Practitioner, Quicksmart Literacy, and Numeracy Instructors and Librarian.

We take great care to keep the costs associated with school items and activities as low as possible; however, please be aware that some subjects incur a course fee, for example: Food Studies and Duke of Edinburgh Program. Please refer to the course handbooks on the school website. *Lilydale High School – Excellence in learning, resilience in life, thriving in community*

We ask that you read all this information carefully and contact us if you have any queries.

Yours sincerely,

Wendy Powson
Principal
